## Rason Transnational Container Transportation JVC

 **RasonConTrans Joint-Venture Company** was established and registered in DPRK on July 16, 2008. The establishment of the Joint Venture Company in DPRK became possible because of the project shares of OJSC "RZD Trading Company" and Port of Rajin (DPRK).

The Company is located within Rason Special Economic Zone and owns a 49-years duration of rent period and a distributed share capital:

- 70% - is owned by the Russian Party (the Party acts as Project Investor)
- 30% - is owned by the Korean Party (the Party provides the rights for renting the Rajin port territory)

The main activity of the Company is cargo transportation and development of trade and economic relations in Asia-Pacific region, using the capacity of Trans -Siberian Railway, the railway track Tumangan (Khasan in Russia)-Rajin (DPRK), convenient infrastructure of the port of Rajin. The Joint-Venture Company is working on development of existing business activities and implements new ones. We are happy to welcome you as a Partner.
